STIRS TYPOSUnion Refuses to Follow Pres.
Gompers

IN ENDORSING DEMOCRATS

A Spirited Debate Started When Such
A Resolution Was Introduced at
National Convention—Resolutions Withdrawn.

Boston, Aug. 15.—A resolution that the International Typographical union endorse the national Democratic platform and candidates, presented at the 54th annual convention of the union in this city late yesterday, developed a keen and spirited debate. The resolution was finally withdrawn by request of the president who suggested that its withdrawal would be preferable to all interests.

The resolution was introduced by Delegate Henry West of Birmingham, Ala. As soon as it was placed before the convention a vigorous and determined argument started. One delegate declared that the union rules prevented the discussion of politics but President Lynch ruled that the resolution could be discussed.

Victor Berger, of Milwaukee, a socialist asked the difference between the Republican and Democratic parties declaring "one was as bad as the other." Delegate Estey of Paterson, N. J., eulogized Samuel Gompers, but declared he did not believe that because he went over to the Democrats all should follow like sheep. He then made a plea for the Independence party.

Mr. West finally withdrew his resolution. A declaration of political principles which contained no reference to party or candidates was adopted.

At the morning session Chief Forester Gifford Pinchot spoke on the necessity of the conservation of the nation's natural resources.

TWO "ARMIES" DESCEND
ON PROSPERITY CONGRESSOne Led by Anarchist Berkman Was
Dispersed by Police, the Other,
Made Up of Suffragettes, Dispersed
with Diplomacy.

New York, Aug. 15.—Two rival "armies" descended upon the meeting of the Commercial Travelers' Interstate Prosperity congress here yesterday. First came a horde of grim looking men under the leadership of Alexander Berkman, the anarchist. It was necessary for the police to disperse this "army" and Berkman angrily rebuked his followers as a "lot of spineless, driving idiots" for not opposing the police. Berkman and his followers claimed to represent 40,000 unemployed workmen, who declared they had come to demand participation in the prosperity congress said existed. Hardly less formidable was the second "army" for it was composed of women, determined women of the suffrage movement, and they demanded recognition by the prosperity congress. The police were not called to disperse this "army," diplomacy was used.

Aside from these interruptions, the prosperity congress was considered a great success. Speakers from all sections of the country told of returning prosperity in their district and it was urged upon the members of the commercial travelers' organization to talk prosperity wherever they went.

After the meeting had been in session for some time, a committee from the unemployed workmen asked to be admitted. This was after Berkman and his followers had been dispersed. The committee asked that a resolution be presented. The resolution was accepted, but not presented to the congress. It is stated that the most urgent need of the workmen was food and lodging and that while there was a demand for workmen in the western states the men had been out of work for so long that they did not have clothing, tools or money for transportation to enable them to go to the waiting positions. The resolution stated that the authors of it were in thorough sympathy with the prosperity movement.

Royal Chickens of Japan.

"The most beautiful and extraordinary chickens in the world are those bred by the royal family of Japan, the privilege of raising them not being accorded to any of the Mikado's subjects," said Mr. L. J. De Courcy of Yokohama. "These chickens are celebrated for the wonderful growth of their tail feathers, a full grown rooster's tail often reaching a length of twenty feet. The tail is of a lovely deep blue shade, while the body is buff, and about the neck is a white ring. A pair of these chickens has been known to sell to a wealthy Englishman for \$1,000 on condition that he would take them out of the country."

"I believe that ere long the species will entirely disappear, as I heard before leaving Japan that it was the intention of His Majesty to cease their breeding."—Baltimore American.

HUGHES MOST AVAILABLE MAN.

Report From Oyster Bay That He Will
Be Nominated.

Washington, Aug. 15.—New York political gossip here is that Governor Hughes will be renominated and that the decision has been reached at Oyster Bay that the governor is the man most available, also that the anti-Hughes men among the Republican leaders will be allowed to cast about for a time in their efforts to find some way out of taking up with Hughes, but that eventually the weight of the president's influence will force them to accept the governor. Coupled with this, it is a report that Martin W. Littleton, nominee for governor, Murphy and his followers picking Littleton with the idea that McGovern who is friendly to him will support him.

The reports as to both Governor Hughes and Littleton come from a source thoroughly informed as to the recent conference between the president and National Chairman Hitchcock.

of His Tribulations.

Newark, N. J., Aug. 15.—Mrs. Eugenie Moore's efforts to retain her husband's love by putting love potions in his coffee, as advised by a wrinkled old fortune teller, were useless, according to Moore's story before Judge Davis in the special sessions court yesterday.

Moore was arraigned on a charge of deserting his wife, and admitted the crime, saying that he could live with her no longer. He said that he met his wife, who has only one eye, on New Year's night, and they were soon married. Numerous quarrels followed, and Moore disappeared, but not until his wife put love potions in his coffee, he said. He was then arrested on the charge of desertion.

PROPERTY LOSS HEAVY

Springfield, Illinois, To-day Is Under
Martial Law, Following a Reign
of Riot, Arson and
Slaughter.

Springfield, Ill., Aug. 15.—This city is under martial law to-day, following a reign of riot, arson and slaughter last night, resulting in the death of three men, wounding of fifty more, and the destruction of hundreds of thousands of dollars of property by the infuriated mob. Throughout the night upwards of 5,000 men searched the negro quarters to catch the negro assailant of a white woman. The negro had been spirited out of town and the mob turned in its fury on the other blacks in the city. The negro quarters were fired and the mob kept the fire department from fighting the flames. The police and special deputies were overawed and not until the arrival this morning of the militia from Peoria, Pekin and Decatur, to reinforce the local company, was peace secured. There is no accurate list of casualties, but at about 9 a. m., the city officials made public the names of Cahries Hunter, negro, lynched, Louis Johnston, 14, shot in the head; D. J. Scott, shot through the lung by a stray bullet, this morning before the flames were extinguished. The saloons are closed to-day.

The governor has thrown open the state arsenal as a refuge for hundreds of negroes whose homes were burned. The mob burned every house in the quarter occupied by the blacks. Hunter was lynched at 2 a. m. He had been set upon and beaten when he drew a revolver and hit a white man. In a jiffy a rope was thrown over his head and he was hanged.

BANQUET ENDS MEETING.

Seventy-five Members of Vermont Bar
Association Present.

Rutland, Aug. 15.—About 75 members of the Vermont Bar association attended the midsummer banquet last evening at the Rutland hotel. The toastmaster for the meeting was Alexander Dunnett, president of the association, and the speakers were Raymond C. Smith of Wells River, T. H. Brown of this city and Judge Adams of St. Louis, a former Vermont.

Judge Adams in his speech denounced the growing tendency to criticize the action of the court and he said that this would result in a loss of confidence of the people if the dignity of the court is not sustained. He stated that this is being done not only by the people but by the members of the bar, and he said that it is not in keeping with the dignity of the bar to do this.

At the close of Judge Adams' speech, President Dunnett made a short speech of thanks to the members of the Rutland county association for the kind treatment given them by the association. The banquet was the closing event of the midsummer meeting and the members will leave for their respective homes tomorrow.

Woman Taken From Wagon But Es-
capes Serious Injury.

While driving on North Main street, past where the gas company is digging machine shop, a horse became frightened at an engine on the Wells River tracks and started to run up the street in the narrow passage between the ditch and the car tracks. In the team was a man and a little girl. Mr. and Mrs. Newell Nelson were driving down the street and the runaway team struck their wagon and locked wheels with it. The force of the collision threw Mrs. Nelson from her seat in between the shafts and one of the forward wheels. Some of the workmen in the ditch caught hold of the horse and held on while others quickly pulled Mrs. Nelson from the wheel before she was injured more than a shaking up. One wheel on Mr. Nelson's wagon was smashed and an axle was sprung. The little girl in the other team was thrown out, but was not hurt.

Scott, secretary of the city committee, explained that there had been submitted to the committee by the Democratic city committee a list of candidates for their side for a proposed union ticket, which he read, and he further offered the names of six Republicans to complete the ticket. E. R. Davis followed Mr. Scott and presented a ticket, which contained the same Democratic names but made several changes in its Republican members. These two tickets led to some discussion. Attorney R. A. Hoar characterizing the Scott ticket as a "ring" ticket. Mr. Hoar, M. G. Gordon and E. R. Davis favored the ticket presented by the latter, while H. W. Scott spoke for the ticket presented by the committee. J. P. Marr characterized the proceedings as a serious source of law, but he favored the "Scott" ticket received 27 and the "Davis" ticket 21 votes. The names on the successful ticket are Frank G. Howland, James F. Higgins, A. A. Sargent, Dean P. Town, C. W. Melcher, James Mackay, James Mutch, Will D. Smith, Richard Grigg, Wm. T. Calder, Patrick E. McNulty, Batista Albisetti, M. J. Was Planning to Go to Sanatorium Next
Week—Death of Judge C. U.
Lathrop at Williams-
town Yesterday.

The death of Timothy W. Russell occurred suddenly at about eight o'clock last evening at his home on Eastern avenue, the direct cause of death being a hemorrhage from the lungs. Although he had been in ill health for about a year, he was able to be out and his death at this time was wholly unexpected and came as a great shock to his family and friends. He had made plans to leave next week for a sanatorium for treatment.

Mr. Russell was born in New London, Conn., in 1863, and received his education in the schools of that city. Upon leaving New London he went to Vinal Haven, Maine, where he learned the granite cutter's trade. He came to Barre 21 years ago and began work as a cutter for the granite firm of Watson & Morse. Upon finishing work for this firm he was in business for himself for a short time, after which he entered the employ of the Harrison Granite company, known at that time as the Empire Granite company, about 16 years ago, as assistant superintendent. He held this position until about four years ago, when he became superintendent of the company's plant.

He was married in December, 1889, to Miss Ethel L. Holmes, daughter of the late E. H. Holmes, who with three children survive him. Mrs. Russell is ill with typhoid fever and the fact of his death was not made known to her until this morning. Besides his wife he is survived by two daughters, Blanche, aged 16, Florence, aged 13, and one son, Fred, aged nine, his mother, Mrs. Hannah Russell, and one sister, Mrs. George Hoyt.

He was a member of the Athlete's club. The funeral services will be held at the home.

FINE PROGRAMME
FOR LABOR DAYCentral Labor Union Will Have Stuart
Reid of Chicago as Speaker—Fine
List of Sports.

A meeting of the general labor day committee of the Central labor union was held last evening and practically all arrangements were completed for a celebration of the day at Intercity park.

It is expected that Stuart Reid of Chicago, a general organizer of the American Federation of Labor will be the speaker of the day.

Somewhat of a hitch has existed in the procuring of music for the occasion as the Central union had voted not to employ an unorganized musical organization but this has been overcome. Music will be furnished by Gilbertson's concert orchestra of eight pieces which will soon become affiliated with the American Federation of Musicians. The orchestra will also furnish music for a dance at Woodmen's hall in the evening. The dance will be held under the auspices of the Central labor union and Duncan McMillan will act as floor manager.

It was voted to engage the Italian athletic club and Graniteville athletic association base ball teams for a game for a purse of \$40, \$25 to the winner and \$15 to the losing team.

The other sports will include throwing the hammer, putting 16 pound stone, running high jump, hop, step and jump, 100 yard dash, apprentice race, 100 yards, first year apprentices, half-mile race, obstacle race, ladies' race, egg and ladle race. The prizes for these events will be \$5 to the first, \$2 to the second and \$1 to the third.

The entrance fee for the events will be 15 cents.

A feature of the programme will be a tug of war among eight men teams open to teams representing the various local unions and fraternal organizations for a purse of \$25. Entries for the tug of war must be made before Saturday night, September 5th, to the chairman of the sports committee, Dan J. Sullivan.

The committee in charge of the sports at the grounds consists of A. M. Smith, Richard Grigg and Robert Inglis, judges; Harley Houghton and Frank Robinson, clerks.

Length of Their Granite Plant.

The 60-foot addition J. P. Corskie & Son have been building to their granite plant on Batchelder's meadow was completed this week and is now occupied. The addition was built by A. B. Lane. This addition gives the firm a straight-line shed 230 long and 61 feet wide, large enough to run four gangs of men. The original shed was erected in 1901, and although plenty large enough for the firm then, the steady growth of their business compelled the new addition this year.

Judge Lathrop was a member of Waterson Post, G. A. R. No. 45, of Chelsea, but later became a charter member and commander of William Wells Post, No. 113, of Williamstown.

In November, 1861, he was married to Miss Frances A. Hopkins of Williamstown. She and one son, Frank D., survive the judge.

JUDGE C. U. LATHROP
OF WILLIAMSTOWN DEADLeading Citizen of That Town Passes
Away Suddenly—Had Been Long
Identified With the Town's
Progress.

Williamstown, Aug. 15.—Judge Cyrus U. Lathrop, one of Williamstown's leading citizens, passed away yesterday afternoon at 4 o'clock at his home. Death was sudden and unexpected. Some three or four weeks ago, Judge Lathrop injured a leg while riding a horse rake and he had been confined to the house since. He was not improving much, but it was thought he would in time fully recover and he was apparently in good health yesterday morning. His death coming so suddenly was a great shock to the community where he has always been so prominent in its affairs.

The funeral will be held from the house at 2 o'clock Monday afternoon, Rev. Mr. Roberts, pastor of the Methodist church, officiating.

Cyrus U. Lathrop was born in Chelsea, Oct. 31, 1839, and was the son of Urbane and Eliza (Williams) Lathrop. He was the youngest of a family of six children, and his mother, left a widow when he was only three years of age, by great industry and prudence kept the family together and gave Cyrus a common school education, and he by strong personal effort was enabled to continue his studies at the Chelsea and Newbury academies. At the age of 22 he purchased a farm in Williamstown, and the cultivation of this estate has been his principal occupation ever since. He was one of the pioneers in the formation of the Williamstown Granite Co., and chairman of the railroad commissioners for the town of Williamstown in their bonding and contracting for their railroad.

When the war of the rebellion broke out, Mr. Lathrop enlisted for three years in Co. C, Eighth Regiment, Vermont Volunteers, under the leadership of Gen. William Thomas, and served in every engagement after his enlistment until the war ended, and he was honorably discharged in 1863. Mr. Lathrop was always a stalwart Republican and had been honored in many ways by his party, he always filling these places of trust with honor. For many years he was associate judge of the Orange county court, and he held this office at the time of his death. In 1892 he represented the town in the legislature. He settled many estates and gave an active support to every wise measure for the advancement of the interests of the town.

Judge Lathrop was a member of Waterson Post, G. A. R. No. 45, of Chelsea, but later became a charter member and commander of William Wells Post, No. 113, of Williamstown.

In November, 1861, he was married to Miss Frances A. Hopkins of Williamstown. She and one son, Frank D., survive the judge.
